PRESIDENT'S MESSAGE

Hello everyone. I would like to take this time first of all to wish all of you a very happy Thanksgiving. This is the time of year when we have fewer shows and spend more time inside. Don't just forget about our Falcons until the weather warms up — go through your books or anything you might have around the house and send articles in to *The Falcon News* or, just write your own. Kathy and Bill would enjoy hearing from you and appreciate the help. Also, just drop me a line and tell me how your Falcons are coming along. Let's stay in touch through the approaching winter.

Roy E. Sword, Pres. FCA

EDITOR'S MESSAGE

From the mail we receive it appears that most of our readers are looking forward to the technical helps each month. Keep those questions coming. Alan Hale has graciously volunteered to answer these for us and send his letters to be published in the News. Thanks Alan for taking time out from your business schedule to do this.

We love hearing that you watch your mailbox for the newsletter. Send us suggestions for making it better. We have had a good response from you on sending photos of your Falcons for "Feature Falcon". Bear with us in getting yours in the News.

Don't let your Falcon hibernate for the winter. Get it out on pretty days and show it off!

Bill and Kathy Woodell, Editors

MEET REPORTS

The yet to be named and chartered group of FCA members in Northern California had a very successful kickoff picnic. Twenty-two Falcons showed up on a bright and sunny day and showed off their feathers. It was judged to be a highly positive event. There were many old time Falconers as well as some who had just bought their first. Jackson Angle's 63 Sprint Conv. with a Hi-Po 289, new black imron paint, and N.O.S. red interior was one of the most talked about cars in attendance. Jim Grimes and his wife brought their impressive pair of 64 Sprint convertibles. Ralph Willis surprised everyone when he announced that he was flying to Canada the next day to pick up the Canadian Falcon which was in *The Falcon News* recently. While there is not room to mention everyone and their fine cars, the support we got suggests that there will soon be a strong FCA chapter in Northern California.

The Mason Dixon Chapter

The Mason Dixon Chapter would like to give a special thanks to Mr. & Mrs. Everett and their son Ken for hosting the meet in Cherry Hill, NJ on Sept. 21 and for the use of their grounds. Ken joined the chapter in April and this is the first meet he helped put together. We had a good turnout of 21 Falcons. The Sedans and Hardtops were from 61 to 68, four 63 Convertibles and 3 64s, 3 Rancheros - 62, 63 and 65 and two Wagons - 63 and 64.

We picked up five new members and sold six of our chapter license plates. We have sold about 45 of them since we got them. I would like to thank those FCA members from New Jersey for coming and making Ken's day.

The Founder's Chapter

October 4, 1986 - Arkansas. Twenty-four were present for the Founder's Chapter meeting at Ed and Kay's Restaurant at Benton, Arkansas. It was a great turnout and some good fellowship. New members Robert Meeks and his wife were introduced. It was time to pay chapter dues and we were encouraged by President Ezra Wingfield to recruit new members for our club. Pat Sword gave a report on how things were progressing on the regional meet at Hot Springs for Oct. 31 and Nov. 1. We planned a Christmas Party for Dec. 6.

MEET REPORTS (cont.)

The Mile-Hi Chapter

The Mile-Hi Chapter, for the second year, was asked to participate in the "Gateway to the Rockies" Parade in Aurora, Colorado. This year we were #15 in the line up and not bringing up the rear. Leading the chapter was Rich Adkins and Jan Brown with their convertibles, Herb Long and Eric Abraham were next with their station-wagons, and bringing up the rear was Bill Clements with his 63 Ranchero and Ron Brown with his 3rd Place at the Nationals 63 hardtop.

One other event we hope will be an annual get-together was a "1960 type" Sock Hop. It was complete with cheerleader outfits, poodle skirt, jeans with rolled up cuffs, etc. We enjoyed the 50-60 music on Ray Roberts' nickelodeon. All of this and the backyard cooking was hosted by Ray and Candy Roberts. 30 plus Falcon lovers had a great time.

The "Old Car Council of Colorado" held its annual auto classic car show this year at the Denver Merchandise Mart. The Mile-Hi Chapter was represented by three 64 Falcons; Rich Adkin's black Futura convertible; Barb Spark's white Sprint convertible and Lee Dalton's (Cookie Monster) candy apple red hardtop race (drag) car. Our Falcons were among 150 show cars which drew a large crowd for the 8th annual show.

The Southeast Chapter

The months of July and August have been busy for The Southeast Falcon Chapter. On July 20 we had a cookout and swim party at Wanda and Gary Goddard's. We had 32 members and 11 Falcons attending.

On August 10 we met at Shannon Mall and went in a caravan to Warm Springs, GA. We had 11 Falcons in our caravan. After a picnic lunch we toured the Little White House and the craft shops in town.

On August 24 we met at Gwinnett Place Mall at 7:30 a.m. We had 18 Falcons in our caravan to Clarksville, GA. for their annual AACA show. Everyone carried their picnic lunch. The following members came home with trophies: Alvin Roberson's 65 convertible, 1st; Dwight Walls' 64 Sprint hardtop, 1st; Ricky Kerbow's 64 Sprint hardtop, 2nd; Gary Goddard's 64 Deluxe Sedan Delivery, 1st.

On Sunday, September 7 we attended a car show in Elberton, GA. We met at McDonalds in Monroe, GA and left in a caravan of 12 Falcons to the show. The following people came home with trophies: Lynn Moon's 65 hardtop, Mack Ratcheford's 63 Sprint hardtop, Ricky Kerbow's 64 Sprint hardtop, Alvin Roberson's 65 convertible, Gary Palmer's 66 Ranchero and Gary Goddard's 64 Deluxe Sedan Delivery. Our club also won the trophy for the club with the most cars in attendance.

The Northeast Chapter

The Northeast Chapter of the FCA held its 3rd Annual Summer Meet on August 23 in Bowdoin Park, Wappingers Falls, NY. It was a beautiful day and 21 Falcons showed up, including some real beauties. Six trophies were awarded: President's Choice went to Joe & Rose Velasquez's sharp 62 Futura; Long Distance to Gerald Gassier who drove 302 miles; 1st Place, open, to Tom Massarelli's 64 Futura Conv.; 2nd Place, open, to Carl Ripa's 63 Futura conv.; 1st Place, closed, to Vinnie DeLucia's 64 Sprint; 2nd Place, closed, to Vic & Kathy Falcone's just finished 64 Sprint. A good time was had by all and some of us found some needed parts for our Falcons.

The Gateway Chapter

The September meeting of the Gateway Chapter was held at the Bonanza Sirloin Pit in St. Charles, MO on Sunday, Sept. 28 with 20 members attending. Elections were held: the new officers are President, Rich Tribout; Vice-President, Don Branson; Secretary, Sue Tribout; and Treasury, Ed Siego. Topics discussed were activities for the following year and next year's national meet in Colorado. Next month's meeting on Sun., Oct. 26, will be held in Hermann, MO with fun for the whole family.

The Hoosier Chapter

October 14 meeting - Hoosier Chapter bi-monthly meeting at Denny's Restaurant. Eight members were present. Members accepted Sharp Ford as a sponsor who will provide us with discounts on parts, labor and new car purchases — we won't be trading in any Falcons though! The members also accepted hosting of a regional in 1987; plans, date and details to be worked out later.

We welcome new members Sherry Whittington, Joe Royal and Jeff Gillenwater.

NATIONAL CONVENTION BUSINESS MEETING (cont'd.)

functions for a year at \$1,372.00. The board recommended that the hosting chapter of the National Meet pay \$300.00 toward this insurance with the Regional paying \$100.00 with FCA paying the rest. This would cover National, Regional and local chapter meets. Motion was made and carried to obtain this insurance.

1987 Meet will be held the 2nd weekend of August in Colorado. 1988 Meet will be held in Atlanta, Georgia.

Discussion led on two year advance notice on hosting Nationals. This seems to be vital as it takes so many preparations and motels need this time to plan ahead. President Sword asks chapters to be thinking about hosting the 1989 National.

It was announced that Steve Springer will be in charge of advertising the FCA in monthly car interest magazines to create more interest in joining the FCA. Along these lines of creating interest it was decided to highlight a chapter a month in the NEWSLETTER.

All member ads placed in the NEWSLETTER must include prices. The suggestion was made to charge a nominal fee but the feeling of the FCA body was not to charge, as this was the FCA members' NEWSLETTER.

The question came up on the advisability of getting a tax number for the FCA in order to save some money at our Nationals. This met with opposition and it was the consensus of the group to leave well enough alone.

President Sword said a new membership roster should be out about the first of the year.

The procedure on voting on cars at the National Meets was asked as how it was determined what classifications they would be put in. President Sword reiterated that each hosting chapter determined what classifications would be voted on. Gary Fuerst, president of the North Central Falconeers Chapter explained that pre-registration really helps out in making these decisions.

It was suggested that Tech Tip answers be put in the NEWSLETTER that others might benefit from it. These tips will be sent to the editors of the NEWSLETTER.

Kathy Woodell asked for comments, good or bad, on the NEWSLETTER. Their aim as editors is to please the FCA members. She also asked for the articles to be sent to them for the NEWSLETTER. A round of applause was shown in support of Bill and Kathy's efforts that they put into the NEWSLETTER.

The Mile-Hi Chapter from Colorado announced motel accommodations would be available the week before and the week after the National Meet at the same prices during the Meet. They raised the question whether we would like to expand the dates of the National Meet since these rates were available. It was the feeling of the FCA body not to expand the dates.

It was announced that Hemmings Magazine would give free advertising for all car club meets if they were sent in.

Three new chapters were awarded their charter certificates. Accepting the certificate for the North Coast Chapter (Ohio) was Roger Roberts, for the North Star Chapter (Minnesota) was John MacKay and for the Hoosier Chapter (Indiana) was Cliff Smith.

President Sword announced that the Carolinas Falcon Chapter charters were being signed at this meeting. He recognized all the chapters and reported that we now have 19 chapters in the FCA.

Shrable Williams was thanked for his years of service both as vice president and as a five year board of director by President Sword and he thanked Ellen O'Dell for the outstanding work she is doing with the club store and Bill and Kathy Woodell for their excellent work with the NEWSLETTER.

The banquet will be held tonight at the "41" Bowl.

Gary Fuerst announced there were 134 registered, with 105 cars at this meet.

Rick Dilks announced he had the Falcon calendars for sale.

Motion was made and seconded to adjourn; motion carried.

Respectfully submitted, Ruby Throgmorton, FCA Recording Secretary.

TECHNICAL HELP ANSWERED

I have a 62 Falcon and a 78 LTD. I have replaced all five steel-belted radial tires on my LTD as they have all had ply separations, bulges, elongated bubbles, or radial waddle. I now run bias-belted. I've often thought about switching over to radials on my Falcon but after going through this aggravation with radials on my LTD, I'll stick with bias-ply. They ride softer, cost less, have stronger side walls, and I have had less defects with the bias design.
